## PAINT COLOR SELECTION

FROM OUR PAINT EXPERTS

Nimbus is right in the middle of the color wheel which makes this color work with everything! NIMBUS 1465 - a soft gray with warm undertones. **-Judi**

My go to color is REVERE PEWTER (HC172). This is a historical color that is a light gray with warm undertones. It is a calm color that is easily used to transition. Great color for an open floor plan! **-Mary**

When a customer is looking for a soft, calm or airy blue color, I immediately go to PALLADIAN BLUE from Ben Moore's Historic Collection. This color is relaxed and timeless, ideal for a spa retreat, bedroom or main living areas of the home. **-Dan**
